What should a scientist know about computer science?

John MacCormick
Department of Mathematics and Computer Science
Dickinson College
Simulating physics with computers, *IJTP* (21), 1982
"If others would but reflect on . . . truths as deeply and as continuously as I have, they would make my discoveries."
The Friendly Giant, *Inventiones Mathematicae* (69), 1982
Ada Lovelace — world's first computer programmer!
